It is seen that the incidents pertaining to the Krishnarajendra Market have caused a great disturbance in the city. Sr Kothurvasappa Hallam - Ex-president of the M C has also intervened to settle the matter. He is an Advocate and he is a person least interfering in the day to day administration of the M C affairs. Thus, I am stating, with my personal knowledge of the gentleman. However the D C will be requested to keep a close watch over the situation. The M C Comr will have to be instructed to manage the affair smoothly. It has been reported by the Sanitary Officer that two or three persons were engaged in cutting the wire fence. He has given names of persons also. That action was taken against them will have to be ascertained, as those persons who actually caused loss to the M C should not be let off without punishment.

Subject - Affairs of Sri Krishnarajendra Vegetable
Market at Davangere

SVK

I write to bring to the kind notice of Government that the majority of the stall-holders in the Krishnarajendra Vegetable Market at Davangere were irregular in making payment of rent, had not executed the stamped mutchalika, had sub-let the stalls and encroached upon the road by unauthorised projections and even assaulted our staff on several occasions and several warnings issued to them at the time of spot inspections and written notices had no effect. With a view to regularise the matter, the matter of leasing the stalls by public auction was duly approved by the Council in their resolution No 2(2) of 28-2-1954. Accordingly the sale notification was issued fixing the date of sale for 25-3-1954. The merchants of K R Market approached Sri K T Jambanna to intervene on their behalf to stop auction of stalls and at the same time to fix the rate and space of open spaces occupied by them. Sri K T Jambanna approached the President and Commissioner and in presence of the representative of the merchants ^{and others} Sri Chandrasekharappa and a few press people a decision was arrived at, which was to be put into operation the next day. But the Market stall holders, did not keep up to the agreement arrived at with Sri K, T Jambanna. All Market - merchants met together the same evening and formed an association under the Presidentship of Sri Itagi Vedamurthy. Vice-president and one of the stall-holders by name Sri B Chandrasekharappa as Secretary. The President of the Vegetable Market Association sent a representation on 8-3-54 and a Special Meeting of the Municipal Council was emergently called for on 10-3-54 to consider the requests made therein. The Council resolved that the auction of 58 stalls be cancelled and the stalls to be confirmed to the present lessees at a rent of Rs 13/- per month excluding light charges, and till each stall is provided with a separate metre, a sum of Rs 2/- per stall be collected for light charges per month along with the rent. That a deposit of two months' rent as advance be collected from each stall-holder and that a stamped mutchallika to be executed by each lessee incorporating these conditions and that the new rent to be enforced from 1-4-54, the lease is to be for three years. Regarding ground rent it was resolved that the Council should undertake a spot inspection of the market ground the same evening immediately after the meeting. Regarding open stalls, it was resolved to provide one light to each stall charging 0-8-0 per light per month and the same to be collected along with the rent each month. It was also resolved that the new market bye-laws should be enforced immediately after the fencing of the market is completed. The Vegetable Market Merchants staged a hartal at the Market on the 25th instant. Sri Haralenne Kotra Basappa, a leading Advocate and Ex-President of Davangere Municipality, interested himself in this affair and wanted to discuss the whole matter with the President of the Municipal Council and the Commissioner and accordingly he came for discussion when the President of the Market Association, the Vice-President, Secretary and nearly 40 to 50 market vendors participated in the meeting. As a result of the meeting the President, K R Market Merchants' Association placed before the President of the Municipal Council further requests. At the General Meeting of the Municipal Council held next day the President sought leave of the Council to consider these requests and the Council readily agreed to do so, and

and resolved that in view of hardship represented by the stall holders and President of the K R Market Merchants' Association that the rate of rental per each of the 58 closed stalls be reduced from Rs 13/- to Rs 10/- per month subject to the lessee agreeing to pay a sum of Rs 2/- towards electric charges for each stall pending fixing individual metre to enable the stall holders to pay the electric charges direct to the Electric Department. Resolved likewise that in the case of permanent lessees of open stalls the daily rental of 0-4-0 be consolidated into a monthly rental of Rs 6-8-0. The lessee should agree to pay a sum of 0-8-0 per month for the use of one electric light to be provided in each stall by the Municipality. Resolved that the measurements of the open-air shops should be altered from 4' x 6' to 6' x 6' ". The Government in their order No L 13217-8/M1-86-48-73, dated 12th May 1949 had sanctioned the draft bye-laws framed by the Davangere City Municipal Council under Section 51(1)(a) and (b) of the Mysore City Municipalities Act 1933, for regulating, licensing and inspecting markets in the Municipality and the Council in their resolution No II of 10th March 1954 resolved that these bye-laws should be enforced after the fencing of the market is completed. Accordingly the Council sanctioned an estimate for Rs 950/- for fencing the K R Market Area. The Government Architect A had prepared a plan of the market wherein two gates were provided in the Northern Portion for letting in men, carts and laden animals etc. ^{As regards} Accordingly two gates were fixed for ~~both~~ the openings on the Western and Eastern sides, the spaces have been sold in public auction several years ago, and some buildings even have come up and so the idea of opening gates on these sides against private land could not be thought off, as per Government Architect plan. The sanctioned Market bye-laws were duly published under Section 67 of the Mysore City Municipalities Act proclaiming that the bye-laws will come into force from 26th April 1954.

At 8-30 A M on the 16th April 1954 the President and myself visited the Vegetable Market during the course of our inspections. The Sanitary Police Daffedar and Police Constable Thimmayya reported to us that certain vendors had cut the wire fence in the Eastern Portion of the Market. We proceeded to the spot when Sriyuts Chandrasekara

(2) - A -

the Secretary of the Market Merchants Association, and a few others threatened to cut off all the Municipal Fence. Immediately I contacted the Assistant Superintendent of Police and requested for help. I took the Revenue Officer to the Market when the bill collector Ningappa reported that it is ~~greatly~~ rumoured that the vendors had decided themselves not to pay taxes. I instructed the Revenue Staff to persuade the vendors by peaceful means to pay the daily ground-rent and monthly rentals as usual. I found on a closer inspection that certain vendors had cut the fence in the Western Wing of the Market also. I again returned to the Municipal Office and took the Municipal Overseer Sri B G Thivari to repair the fence. I went for inspection of the Additional R C C Tank work which had commenced. Meanwhile the Municipal Overseer turned up at the Tank and reported that the vendors obstructed to the repairing of the fence. He also reported that the ~~vendors obstructed~~ mob is bent upon further damage to the fence. Immediately I approached the Assistant Superintendent of Police, the Police Inspector, Davangere City and the Sub-Inspector North Range, for help to repair the fence. They promised to give requisite help. Meanwhile I received a report from the Sanitary Police Duffedar ~~report~~ of the occurrence ^{of fence cutting} and a copy was sent to the Asst Superintendent of Police, Police Inspector and the Sub-Inspector for their information, and needful ^{action}. The Police Inspector went to the spot with the Sub-Inspector and a posse of Police force. I again proceeded to the market with the Assistant Superintendent of Police and attempted to pacify the vendors and asked them to go peacefully and constitutionally. But the merchants remained aggressive and went on abusing the Municipal Staff and totally refused payment of ground rent. I returned to the Office and informed the President of the occurrence of the day. Meanwhile a huge mob consisting of K R Market merchants, Sympathisers and other unruly elements came proceeding towards the Municipal Office, calling slogans and abuses against the President and Municipal Commissioner and staff. As the mob was unruly and at the entrance of the Municipal Office, the Cash ~~counter~~ ~~xxx~~ counter was working, the gates were closed ~~and~~. Meanwhile the Assistant Superintendent of Police, the President of the Vegetable Market Merchants' Association, the Vice President and Secretary Sri

⑤

Sri Chandrasekharappa came to the Municipal Office. The Municipal Councillors Sriyate Iyannahally Dordaveerappa, Hanumantha Rao and Scinde and Hallalli Veerappa also came to the office. All of them had discussion regarding the incidents at the Market. After a long and deliberate discussions among them the President of the Vegetable Market Merchants Association presented a petition to the President signed by 35 vendors wherein they had requested that two more gates to be provided on the Eastern and Western wings of the Market and that the Market Bye Laws which are to be brought into force from the 26th April 1954 should be reconsidered by the Council and that they should be kept in abeyance. By this time a big procession of all vendors of the Market crowded at the Municipal Office crying out slogans. The President after consulting the Municipal Councillors present sent me a note a copy of which is enclosed for kind perusal of Government to the effect that the representations of the Market Stall Holders will be placed before the Council at a Special Meeting of the 21st instant for their decision. On the personal representation of the signatories to the petition of their grievances, the President added that an amicable settlement is arrived at at which they agreed to bring all the articles into the Market for sale only through the two main gates and on this assurance two further gates one on either end allowed to be opened from this day. He also added that the President of the K R Market Merchants Association gave an undertaking that the agreement would be strictly followed. As regards their second grievance namely to keep the bye laws in abeyance and not to enforce the same on 26th April 1954, the President stated that that will be placed before the Council which will be called immediately for their decision. The President requested that the Complaint to the Police in the matter might be dropped. All the Vendors went back to the Vegetable Market peacefully. The President has called for a Special Meeting of the Council to consider the representations of the Vegetable Market Merchants on the 21st instant. The bye laws will come into force from the 26th April 1954 if the Council were to decide so. The Council have been

⑥

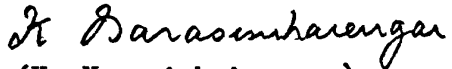

all along very conciliatory and almost all the requests of the K R Market association have been fulfilled but unfortunately they have not shown so far any intention to co-operate and act up to the agreements so far arrived at with the Council for instance the K R Market merchants have not paid all dues so far as agreed and nor have executed a mutchalika on April 1st as agreed to nor paid the rent as per new rules

I am just submitting the full facts to the kind notice of Government just to keep them informed of the happenings in the Krishnarajendra Vegetable Market at Davangere I am also submitting a copy of this report to the District Magistrate, Chitaldrug, for his kind information

Subject - Affairs at Sri Krishnarajendra
Vegetable Market at Davangere

In continuation of my letter No H C 12/54-55, dated, 29-4-1954, I write to report for the kind information of Government that the Market vendors numbering over 200 both men and women collected at the Municipal Office compound at 3-30 P M. As it was fixed to hold the ordinary monthly General meeting of the Municipal Council on the 29th instant at 4 P M and as it was feared that these Vendors might harass the Municipal Councillors who come to the Municipal Offices for attending the Meeting, the Assistant Superintendent of Police was requested to make police arrangements. The crowd remained peaceful except for making personal request to all the councillors that were arriving at the Municipal Offices to attend the meeting. At the meeting several Councillors Sriyuts B Gurudev, C Keshava Murthy, Shivanna, Hattalli Veerappa, K Veerabhadrappe, P B Shankarappa etc, wanted that in view of the tension that existed between the K R Vegetable Market merchants and the Municipal Administration in connection with the Market bye-laws which were enforced with effect from 26-4-1954 and the subsequent happenings in the market since then and the inconvenience caused to the General Public by the observance of the hartal at the Market since the past three days, pressed on the President's attention the immediate need for taking into consideration the requests of the Market Vendors. The Municipal Council which was sitting for consideration of the subjects on the agenda file

(19)

- 2 -

for the Ordinary Monthly General Meeting agreed to discuss the grievances informally with the market vendors and also with the President and Vice-President of the K R Vegetable Market merchants' Association, Davangere, yesterday after the General Meeting of the Council was over. Meanwhile large crowds of vendors and their families collected in huge numbers in the compound of the Municipal Offices. Thereupon the Council adjourned the General Meeting to next day and conceded to hear the Market Vendors and their representatives. On behalf of the Market Sri Itagi Vedamurthy their President laid before the informal meeting of the Council the following requests

- 1) To remit entrance fee
- 2) To delete Section 9 of the Market bye-laws
- 3) To delete the clause that all vendors and their employees to clear out of the Market after 9 p m daily
- 4) To withdraw all cases launched against the violators of the Market bye laws in the Special Magistrate's Court, Davangere
- 5) Not to recover stall or shop rent during the period when the Market vendors observed hartal

Municipal Councillors Sriyuts N B Gurudev and Sivanna, pointed out that the Market bye-laws in Bangalore and Mysore Cities provided for certain exemptions viz , that in Mysore both stallage and daily entrance fee were not collected from one and the same person on the same day while in Bangalore City Market grains used for human food and brought into the Market by permanent stall holders for sale in those shops for which monthly rents were recovered were exempted from the payment of gate fee. Moreover the markets in Bangalore and Mysore City were well established and provided many first class amenities to the vendors while these were lacking in Davangere City Vegetable Market. Hence these concessions may be allowed to the permanent vendors in pursuance of provisions under sections 4 and 10 of the Market bye-laws. There was long discussion between the Councillors and the Market Vendors and as a result of the deliberations the Market vendors and the President and the Vice-President of the K R Vegetable Market Merchants Association met separately by themselves and presented a written request wherein they prayed that in the case of

(20)

of stall holders, permanent shop keepers and permanent vendors who pay a monthly rent should be exempt from payment of daily entrance fee collected at the gates and requested the Municipal Council kindly to concede to their request as they have already suffered economically a heavy loss and they repented for the unfloward happenings at the Vegetable Market all these days Thereupon Eighteen Municipal Councillors anted the President to concede to the request of the Market vendors by exemnting the permanent stall holders and Vendors of the Market paying monthly rent from payment of daily entrance fee The requisition of the eight councillors presented to the President of the Municipal Council on 29th evening ran as follows -

'After an informal meeting of the Councillors and the K R Market Committee President and members and merchants, a decision was arrived at which was then formulated and incorporated into a petition signed by the President of the K R Market Merchants Association which was then agreed by the Councillors as a petition to be placed before a Special Emergency Meeting to be held immediately then and there and this subject to be discussed in view of the grave situation now prevailing in the City" The President notified the Councillors on the spot that a special emergency meeting will be called next day i e , on 30th April 1954 to discuss this most urgent subject and arrive at a decision Accordingly this subject was taken under Section 27(14) of the Mysore City Municipalities Act 1933 and the following proviso added under Rule 10 of the bye-laws framed under Section 51(1)(a) & (b) of the Mysore City Municipalities Act 1933 for regulating, licensing and inspecting markets sanctioned in G O No 13217-8 ML 86-48-73, dated 12-5-1949

10 No goods shall be brought into the market area except such as are intended for sale, and except on payment of such entrance fee, if any, as may be prescribed by the Municipal Council in this behalf"

Add

Proviso

" provided that daily entrance fee shall not be collected from shop keeper, stall holder or permanent vendor in

- 4 -

in respect of shops, stall or permanent sitting place leased to him by the Municipal Commissioner on a monthly rental basis for a period not less than Eleven months"

I enclose for kind information a copy of the sanctioned Market Bye-laws brought into effect from 26-4-1954

I have already submitted to Government in my previous reports the exact happenings at Sri Krishnarajendra Vegetable Market at Davangere City both on the 16th instant and again from 26th onwards. The Vegetable Market Merchants were observing hartals since 26th instant and the public of Davangere were put to great hardship and ~~the~~ inconvenience for want of vegetables and other necessities of life. Market vendors were in the height of tension. Meanwhile several pamphlets denying the Municipal Administration and opposing the enforcement of the sanctioned Market byelaws had been published. Yesterday afternoon the President of the K R Vegetable Market Merchants Association sent in ^{to} another letter/the President that he is undertaking a fast at the Vegetable Market premises from this morning. I enclose his letter for favour of kind perusal of Government. In order to ^{ease} a shop to hartals and to come to an amicable settlement and ~~bring~~ the public tension, it was thought by the Municipal Council that very urgent action is called for. Hence in anticipation of sanction of Government the aforesaid exemption as is in vogue in Mysore City Market will be given effect to immediately without waiting for going through all the formalities prescribed under Sections 65 and 66 of the Mysore City Municipalities Act 1933 in order to bring about peace among the Vegetable Market Merchants and convenience to the public. I enclose copy of the Municipal Council resolution passed at their Special Emergency Meeting to-day for kind perusal of Government. As submitted above in view of the Special Emergency that has arisen the action taken by the Municipal Council in giving effect to the aforesaid proviso without going through the formalities prescribed in Section 65 and 66 of the Mysore City Municipalities Act 1933 may kindly be approved as a special case.

Subject Affairs at Sri Krishnarajendra Vegetable Market
at Davangere

GVK

In continuation of my letter No H.C/54-55, dated the 21st instant on the above subject, I beg to report for the kind information of Government that as already reported the sanctioned bye-laws for regulating the P R Vegetable Market which was published in pursuance of Section 67 of the Mysore City Municipalities Act 1933 came into force from 26th April 1954. Sri Itagi Vedamurthy, President of the Krishnarajendra Vegetable Market, Davangere, sent me the enclosed letter with a printed notice dated 25-4-1954 announcing the haltal of the Vegetable Market Vendors. When I went to the Vegetable Market at 8-0 A.M. on the morning of the 26th instant I noticed that none of the vendors had entered the market area but some of them about seventy to eighty in number were trading on the pavements and private sites just outside the Market premises with a view to evade the payment of entrance fee recoverable at the entrance to the market. Accordingly I issued a notification as in the copy enclosed notifying the public and the vendors that if the latter were to sell the articles in the immediate vicinity of the market with a view to by-pass the Market bye-laws this will also amount to violating bye-laws 1 and 2 as such vending without obtaining a license from the Municipal Commissioner will be violating the bye-laws and action will be taken against such persons. This was duly published in the market place by beat of tom tom and by individual proclamation as well as affixing the same on the Notice Board at the

(39)

entrance to the Market. The Municipal Staff on duty was suitably instructed to be peaceful and civil to the vendors. I remained at the Market for some time and returned to Office and resumed my other duties. On the next day I went to the Market in the morning and found that they were observing hartal at the Market and the vendors had not collected outside the Market premises. Everything appeared to be peaceful at 10 o'clock all the market vendors under the leadership of Sri Itagi Vedamurthy and Sri B Murugaih had started on a procession of more than 100 stall holders and vendors from the K R Vegetable Market along the principal streets of the City calling slogans against the Municipal President, the Municipal Commissioner and the Municipal Councillors and reached the Municipal Offices at 11 a.m. They cried out some slogans loudly when my car ~~was~~ came past them. I went to my office room. Ten minutes later Sri Itagi Vedamurthy and a couple of vendors came to my room and said that the Market bye-laws ought not to have been enforced and I ought to have kept it in abeyance using my discretion etc. I informed them that they should proceed constitutionally and aid the administration and ~~then~~ seek remedy for their trouble through proper channel. The processionists dispersed voluntarily by about 12 noon. On the ~~xxxxx~~ 26th itself, the Revenue Officer brought to my notice that one Sri Fallappa accompanied by his associate tried to force a bag of raw plantains into the market forcibly and was stopped by Gate-keeper Ningappa and there was some tussel and Ningappa's shirt was torn and when Ningappa was making noise the Revenue Officer and his staff went to the spot and released Ningappa and the bag of plantains. They were all sitting in the School premises opposite when the crowd collected and took back the plantain gunny bag. On receipt of a report from Ningappa about this incident of assault a ~~xxxxxxxxx~~ complaint has been lodged with the Police the same night. Almost simultaneously when the Processionists with Sri Itagi Vedamurthy had come to my office, a request was received by the President ~~that~~ signed by seventeen Municipal Councillors for calling for an emergency meeting of the Municipal Council for considering the bye-laws of Sri Krishnarajendra Vegetable Market, Davangere, within 24 hours as the matter is deemed to

to be grave This was presented by Sri Iyanahally Doddaveerappa through his clerk Sri Renu on the 22 27th instant Even before this notice was presented the Municipal Councillors Sriyuts B M Hussain Miya, C Keshavarurthy, S J Abdul Sattar Khan, M D Ghani, D R Muneerappa, Sri Hallalli Veerappa, M B Gurudev, Yakkoob Sab and S A R Albadri and Sri Siddappa, ~~that~~ that is ten in all who had signed the notice of request for calling for emergency meeting, sent ~~the~~ ^{the President} letters of intimating that they have withdrawn their signatures to the notice of the emergency meeting for reasons stated in their letters It has also come to the notice that Municipal Councillor Sri Lakkappa has launched a criminal case against Sri Itagi Vedamurthy and Sri B Murugaih in the Special First Class Magistrate's Court here that these above gentlemen along with rowdies forced him to affix his signature to this notice, to call for emergency meeting on the evening of the 26th instant Meanwhile the President has sent in a letter on the 27th instant to the Assistant Superintendent of Police requesting for security proceedings under Cr P C Section 107 against Sriyuts Vedamurthy and B Murugaih A copy of the letter is also enclosed for kind information of Government Since ten Councillors have withdrawn their signatures to the request notice for calling for emergency meeting no meeting was called On the 28th morning myself and the President went to the Market in the morning as usual We found that certain vendors were vending on the pavements outside the market and duly instructed the Revenue Officer and Health Inspector to take against them for the violation of the bye law legally At 9-15 a.m the President had called for a Press Conference at the Municipal Offices and all the Press Representatives had been there Sri Itagi Vedamurthy, Editor, Netaji Paper and Sri B Murugaih, Editor, Pudari, who are also President and Vice President of Sri K R Vegetable Market Merchants' Association also attended The President explained the implications of the bye-laws and also told them that the Municipal Council is keen on conferring certain benefits on the K R Vegetable Market Merchants, especially the permanent stall holders and vendors on open air shops which will remove all their trouble provided the market merchants assist the Municipal Administration by co-operating with them Sri Itagi Vedamurthy and Sri B Murugaih received replies

DAVANGERE CITY

PRESIDENT

City Municipal Council

D.O. No. C.C. 56/545

Date 27th April 1954.

Dear Sir,

I write to bring to your kind notice that under the leadership of Sri Itagi Vedamurthy and Sri Murigaiah crowds of Market Stall Holders have been assembled to induce all the Market vendors not to pay the vegetable market entrance fees, stall rents and open air shop rents recoverable under the sanctioned Bye-laws, you are also aware that already these goondas have cut the barbed wire fencing fixed to the Vegetable Market on the 16th instant. Besides these rowdies under the leadership of Sri Itagi Vedamurthy and Sri B. Murigaiah, have been abusing ruthlessly all the Municipal Officers and servants and attempting to assault them thereby preventing them to discharge the Municipal duties as laid down under Municipal Code provisions and Bye-laws. The Municipal Officers and servants have already taken very much to heart such villainous abuses and attempts to assault them in the discharge of their Municipal duties. On the 26th evening one of the Municipal servant Ningappa has already been assaulted by one of these goondas and a complaint has been lodged about this to the Police for necessary action. If the Police do not prevent the activities of these goondas launched under the leadership of Sri Itagi Vedamurthy and Sri B. Murigaiah it is highly apprehended that these goondas will not only assault the Municipal Officers and officials but also will damage the Municipal Properties still more. Of late these goondas under the leadership of Sri Itagi Vedamurthy and Sri B. Murigaiah have been going round the houses of Municipal Councillors and even when they meet the Councillors on public roads they are using all force in their hands however to get signatures of the Municipal Councillors to petitions written by them containing whatever ideas that strike to them uppermost in their mind to subvert the Municipal activities that are being carried on as per rules and regulations. If the Municipal Councillors refuse to sign such petitions they threaten to beat them or warn them that their refusal will entail them in loss both to their person and property. Such an incident of forcing a Municipal Councillor has occurred in my presence yesterday evening. I therefore request you kindly to institute security proceedings under

official process the code section 107 against the leaders (Itari Lal Munshi and Sri D. Gururaj), in order to prevent further recurrence of trouble and so prevent any breach of peace that is imminent and apprehended now.

Since two wicket gates were provided exactly at the two places, where the wire fencing was cut, in accordance with the wishes of the President and the Councillors who took part in discussions on the happenings at the market.
